

## **Asking and Answering an Essential “Thinking Question”**

Use the sample questions to reflect on your chosen Great Bear Rainforest species. You may adapt one of the sample questions, or form your own. Remember, it’s a THINKING question – your answer should not be google-able.

### **Format**

#### **Title:**

Your Question

#### **Introduction:**

Expand on the question in more detail. You may begin introducing your response.

#### **Body:**

Answer the question to your best ability as it pertains to your species in Great Bear Rainforest. Cite as much evidence as possible. This could take more than 1 paragraph.

#### **Conclusion:**

Restate the answer(s) to your question briefly, and make a connection to the Great Bear Rainforest as a whole.
